

Our Team Flies Further Challenge Registration Form

Can your team fly further through play? This challenge encourages your team to collectively demonstrate creativity, ingenuity, and teamwork by designing and flying paper airplanes and measuring distances. Your team will come out of this challenge more unified, focused, and ready to excel. PLUS, it's just so much fun!

Rules of Engagement:

- Teams must consist of 4-6 people.
 - Teams can be co-workers, clients, family, friends, Church groups, youth groups, college teams, virtual teams, live teams, sports teams, book clubs, card clubs, and home school teams.
- Each team will appoint a team captain and a name for their team.
- The Team Captain will need to:
 - Submit the completed **Registration** of their team.
 - Submit a final **Flight Log** with a **digital group picture** of all members of your team with their paper airplanes.
- Each member of the team must design a paper airplane from an 8.5 x 11 (A4 size) paper plain white copier paper of 20 lbs. (80gsm A4 standard European paper)* You cannot add anything else like paper clips, tape, etc. This is the “honor system,” so be playful but honorable.
- You can use any design you want as long as it's with the paper size and weight above.
- The Captain will pick a time and day before the deadline to bring the team together and fly each paper airplane. Each team member gets two chances, and the best score is taken and recorded.
- Email the completed team registration to contact@highperformanceplay.com. **Subject line:** Our Team Flies Further (Your Team's name)
- Email the completed Flight Log to contact@highperformanceplay.com. **Subject line:** Flight Log (Your Team's name)
- The flight log will have all the instructions you need to measure and send in your scores.

All teams and members are invited to “Play Now,” a virtual engagement on Tuesday, May 28th, from 11- 12 p.m. EDT. The winner will be announced at that time! Please try to have at least one member of your team present, if possible, in this virtual program.

DEADLINE FOR ENTRIES REGISTRATION: Wednesday, May 22nd, at 6 pm EDT

DEADLINE FOR COMPLETED FLIGHT LOG: Friday, May 24th at 6 pm EDT
