

The Peace Factory Project™

**STRONGER STUDENTS.
STRONGER CAMPUS.
STRONGER WORLD.**

The Peace Factory Project is a student-centered program that builds the skills young people need for well-being, connection, personal excellence, and transformational leadership.

**PEACE IS NOT JUST AN IDEA.
It's a practice.**

A SIMPLE, JOYFUL APPROACH THAT CREATES LASTING IMPACT.

THE PROGRAM

PLAY: We Start Together

An inspiring launch experience that brings students together through creativity and fun.

PRACTICE: We Build Skills

Weekly sessions that help students grow 12 essential life skills for real-world success.

PEACE: We Live It

Students feel better, connect deeper, and show up more confident and focused.

POSSIBILITY: We Lead Change

Trained student leaders carry the program forward and create a culture of peace on campus and beyond.

SUCCESS STARTS FROM WITHIN.

When students build inner peace, strong relationships, and leadership skills, they achieve more in school, in life, and in the world.

THE IMPACT

BETTER WELL-BEING

Students build resilience, manage stress, and feel more in control.

STRONGER CONNECTIONS

More empathy, respect, and a sense of belonging across campus.

HIGHER ENGAGEMENT

Improved focus, motivation, and participation in campus life and academics.

POSITIVE CULTURE

A kinder, more supportive campus where everyone can thrive.

LASTING LEADERSHIP

Students become leaders who inspire positive change on campus and in the world.
